COMMENTS:

It's the obligatory beach chapter, every manga series has to have one of these fan service chapter. We hope you guys enjoy this release and we hope to get more out soon!
Sorry for the delay, it's just that we are very busy people, you know, with school, work and RL stuff. Hopefully enough, if things go well for us and we don't have a shit-ton of things to dela with, we might get the next chapter out soon. We would like to appeal to our fellow readers, to please be patient with us, we are doing our best to get our projects out whenever we can, so PLEASE don't think that we are just lazy-ass scammers who are just taking advantage. We hope you guys understand that we have our own things to deal with other than scanlating.
Thanks to the staff for the great work and let's meet again in the next release!

YEAH...
IT'S CELEBRATED ALONG WITH TANABATA, AND THE SUMMER FESTIVAL WITH FIREWORKS DISPLAY.
QUITE A COVETOUS FESTIVAL, DON'T YOU THINK?

ONII-CHAN, ASKING THIS ZOMBIE OUT ON A DATE INSTEAD OF ME IS UNACCEPTABLE!

THAT ASIDE, ONII-CHAN!
WHY DIDN'T YOU INVITE ME?!

ULTERIOR MOTIVE?
AND DON'T JUST JUMP OUT OF THE TRASH CAN, MANAMI!!

I DON'T WANT MANAMI GOING OUT WITH ME TO FESTIVALS, ESPECIALLY IN OUR AGE
I MUST TELL HER THE TRUTH!
LOOK,
I'M DOING THIS FOR YOUR SAKE MANAMI.

LISTEN, YOU'LL BE IN HIGH SCHOOL NEXT YEAR, RIGHT?
YEAH?
...AND WE CAN'T ALWAYS BE TOGETHER, AND I WILL BE VERY WORRIED IF YOU DON'T MAKE ANY FRIENDS AT SCHOOL.
EVEN THOUGH IT HURTS ME,
I NEED TO DO THIS FOR MY PRECIOUS LITTLE SISTER'S SAKE.
ONII-CHAN.
ALRIGHT, I GOT HER!
MANAMI WILL DO HER BEST TO FOLLOW ONII-CHAN'S WORDS!
BUT PLEASE PROMISE ME ONE THING.

DIDN'T WE JUST GO BACK TO WHERE WE STARTED?
IN MEMORY OF THE END OF MY MIDDLE SCHOOL LIFE, I MUST GO OUT WITH ONII-CHAN NO MATTER WHAT.
.....
WILL YOU GO OUT WITH ME TO THE FESTIVAL WHEN I HAVE MADE NEW FRIENDS?
HOWEVER, MANAMI HAS ALWAYS BEEN A SOLO-PLAYER AND THE PROBABILITY OF HER FINDING NEW FRIENDS IN JUST A FEW DAYS IS LESS THAN THE SURVIVAL RATE OF SPAWNS OF THE OCEAN SUNFISH.

=>TRANSLATOR'S NOTE<=

In response to those who are bitching about how Iris should be speaking in 'Old English'. Well, we did a little Googling and we found out that the Old English language is practically a different language all together. The old English is known as the Anglo-Saxon and it's more closely related to old German and Latin, and it barely resembles the Modern English that we all know and use today. So, for those who keep bitching why we don't make Iris speak in Old English, our response is, "WE CAN'T!!" The dialect you people keep referring to is a long dead language, like Latin. Even if we're able to pull it off, none of Iris' dialogues will make sense to all of you. The situation will be like that of the Chinese guy in the movie 'Ocean's Eleven', and how the group would talk to him in English and he would reply in Chinese and they would all seem to understand each other, IT'S WEIRD! Other than comic relief, their entire conversation will not make sense to those who can't speak Chinese, or in this case, Old English. Anyway, By Old English, you people are probably referring to the 'Middle English' dialect or more precisely, the 'Shakespearean English' where the word 'you' is pronounced as 'thou' and verbs end with '-th' like taketh, giveth, runneth, and so on. But doing that, it made Iris sound kinda dumb, but if you people still want to fulfil your weird fetish for the old 'Shakespearean' English, we did a version of that just for your enjoyment. You can get that version here-> http://ge.tt/4DiyUrq1/v/0?c

I JUST NEED TO KILL CHIHARU KUSUMI, RIGHT?

THE CORRECT ANSWER IS WORTH THIRTY POINTS.
I SHOULD BEAT HIM UP FIRST, BEFORE I KILL HIM?
THAT'S NOT IT.

THEN, HOW ABOUT I TORTURE HIM BEFORE I KILL HIM?

...CORRECT ANSWER
Oh, dear

WITH THE DIFFERENCE IN YOUR STRENGTH, I'M CONFIDENT THAT YOU WILL BE ABLE TO KILL CHIHARU KUSUMI.
DO YOU UNDER-STAND?
YUP!

UGH!
NOEL IS CRAZY STRONG, BUT HER EMOTIONS POSE A GREAT RISK.
AND ON TOP OF THAT...
I FEEL THAT CHIHARU KUSUMI STILL HAS LATENT POWERS YET TO BE UNLEASHED...!

BUT IN ORDER TO MANIFEST THE TRUE POWER OF A MIXED BLOOD CLASS, IT IS NECESSARY TO DRIVE HIM TO THE BREAKING POINT.
SO, THE INFORMATION IS TRUE, THAT WHILE STILL BEING HUMAN, A DEMON TAMER CAN ACQUIRE THE POWER OF THE DEMON KING.
CHIHARU KUSUMI...
I DON'T THINK SHE'S SUITED FOR A MISSION THAT REQUIRES TOO MUCH THINKING, BUT...
HE MIGHT BE ABLE TO ILLUMINATE A RAY OF LIGHT INTO NOEL'S DARK MIND.
NOEL IS A STRONG DEMON TAMER, BUT SHE IS EMOTIONALLY UNSTABLE.

->TRANSLATOR'S NOTE<-

Now that we are already well beyond the middle of the series, we would like to clarify to you guys how we will use terms and names from now onwards.

We will stick to using Noel North Nome, although her name can also be translated/read as Noel Norm North, or Noel North Norm, we will use the first one, since other translators have used it as her name in other media releases of this series.

In chapter 4, they were called 'Black Betrayers' due to a mistake in translation from Chinese to English, but then we translated it to 'Black Tamers', after that correction, we received a comment saying that the name is of the shadow organization that wants Iris dead is racist, so we changed it again to "Malicious Demon Tamers", or "Malicious Tamers" to avoid any further issues, so we'll stick to this name, PERIOD!

After much deliberation, we decided to use the name "Dystopian" for the technique Noel used to punish Kyoko. So, yeah there you have it, I hope this would clarify some stuff to you guys. And if you want to see Iris talking in a funny Shakespearean English, you can download that version on the address -> http://ge.tt/9fOeaVD2/v/0?c
